- Bolt on completely removable top and side access doors
- Totally smooth interior with no rough edges

Heavy Duty Diverter Valve Advantages

- Available in manual, electric or pneumatically operated.
- Stainless steel construction, AR body and blade

Imperial Systems, Inc.

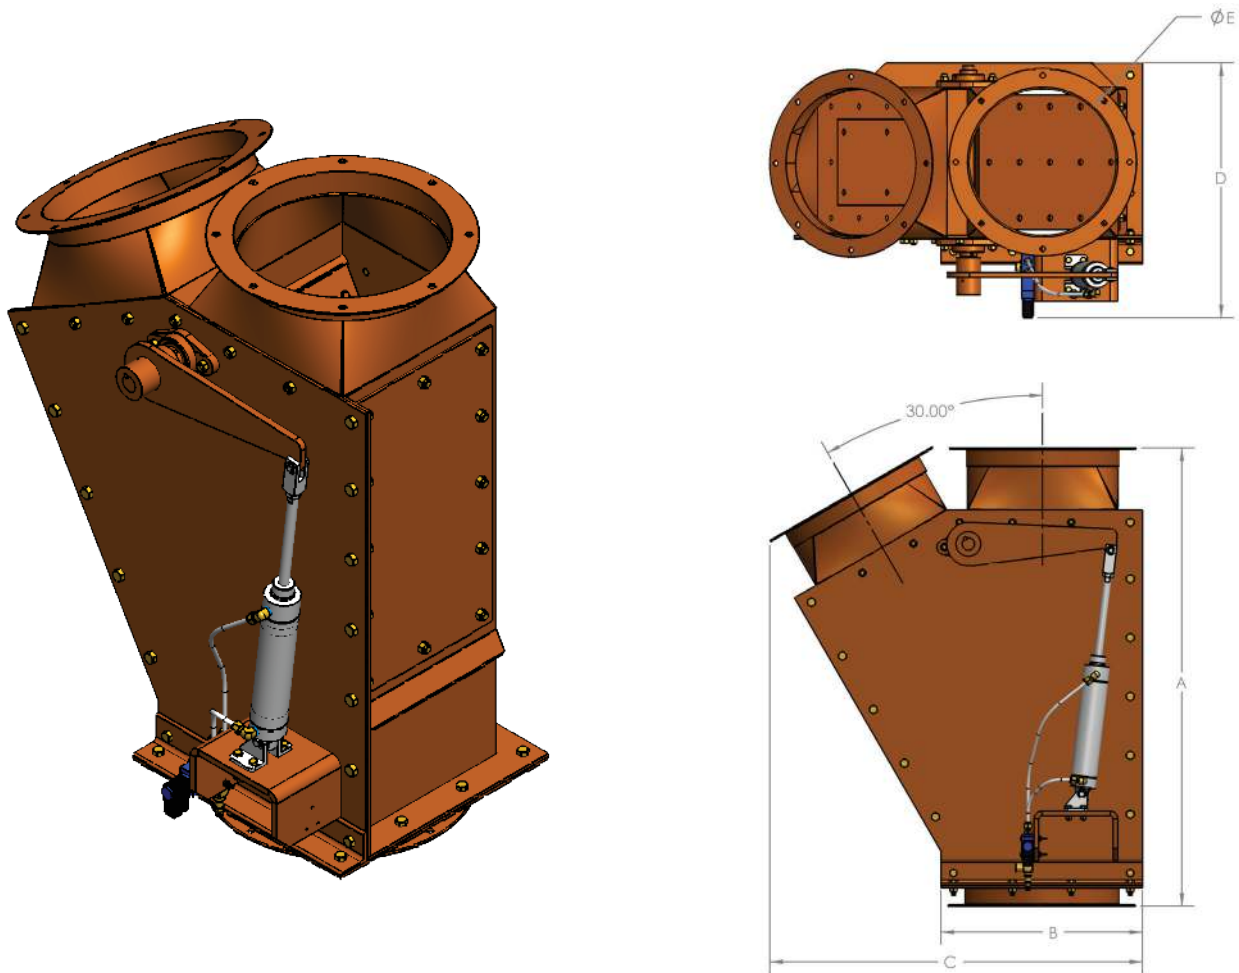

HD Diverter Valves are an effective method for directing flow from a single source to multiple destinations.

The HD Diverter Valve has been designed with service in mind. No special tooling is required to replace worn parts, minimizing downtime. Our HD Diverter Valves ship with an owner's manual and a suggested replacement parts list.
